Dear Families:

Holy Family Administration is pleased to announce, beginning September 2008, counseling support services will be available to our students during the 08-09 academic school year. Counseling services will be provided through the School Outreach Program of the Bill Wilson Center (BWC). BWC is a non-profit counseling agency in the city of Santa Clara serving youth and their families, individual adults and couples. In addition Parenting Education Classes are offered to any interested parent or guardian for a minimal cost.

A Bill Wilson Center Outreach Counselor will be on campus two (2) days a week. The counselor will be available to meet with your child weekly, either individually or in a small group setting. Topics that may be discussed include: problem-solving skills; adjustment/transition difficulties; stress management tools; conflict resolution; communication skills; peer relationship enhancement; and self-esteem building exercises. We are most excited to make these services available to our students and families.

If you are interested in, or think you may be interested in the future, having your child participate in this program, please fill out the bottom portion of this letter and return this form by July 15. Include your student's name, grade and teacher, your name and the best way to reach you.

Thank you,

Mrs. Lozzio
