

Saso High School Prep

Unlocking Academic Success for High School and Beyond

Mastering the Skill of Essay Writing

Ms. Molly McDonough & Mrs. Sue Saso, instructors

Classes begin June 22, 2009

Come learn and experience the true power of the pen!

Designed for 7th – 9th grade students

Writing helps you to think more clearly and improves your ability to learn more effectively. Writing is important because it helps you make meaning out of your experiences and influences your ability to connect new learning with previous knowledge. This tutorial focuses on **successfully mastering the skill of essay writing** and will help students gain confidence in their ability to write.

Students will learn new skills for improving their writing by:

- Mastering the skill of essay writing
- Formulating a thesis statement
- Shaping a subject
- Planning & organizing an essay
- Developing strong paragraphs
- Arranging & connecting details
- Utilizing effective brainstorming methods
- Receiving teacher feedback on every assignment, and
- Being evaluated on writing strengths/weakness and taught strategies for improvement
