INTRODUCTION

Holy Family School is located on parish grounds in the southwest area of San Jose. Serving a very large Catholic community, it is part of Holy Family Parish and is surrounded by parishes that do not have schools. The parish began in 1905 as an Italian national church located close to downtown San Jose. The parish moved to its present location in 1969. The school opened in the fall of 1986 for 200 students in grades K through 5. At that time, only kindergarten had two classes. Adding a grade each year, the first eighth grade graduated in June of 1990. The school was at full enrollment from the beginning, and reached full capacity of two classes at each grade level in the fall of 1994.

MISSION STATEMENT

Our mission is to foster and to support the development of Catholic faith and identity while nurturing the whole child. ADMISSION POLICY

A student entering kindergarten must be five years old on or before September 1 of that year. A student entering first grade must be six years old on or before September 1 of that year. Exceptions may be considered and must be based in specific criteria of readiness and performance. The decision will be made only after consultation with the parents, teacher, and Principal.

When selecting children for admission of Holy Family School, preference is given in the following order: siblings of current Holy Family School students, registered, active Holy Family Parishioners, registered, active Catholics of another parish, Catholics who are either not registered, non-participating, or non-supporting members of a Catholic parish, and then non-Catholics

All incoming students will be required to take readiness tests in math, reading, and writing. The school requests test scores and report cards in advance of admittance from the child's previous school. The school may also require both parent and child to meet with an administrator.

Holy Family School admits students of any race, color, national, and ethnic origin to all the rights, privileges, programs, and activities generally accorded or made available to students at the school. It does not discriminate on the basis of race, color, national, or ethnic origin in the administration of educational policies, admissions policies, scholarships and loan programs, or athletic and other school programs.

ATTENDANCE POLICY

Absences

Please notify the school office message recorder before 8:00 am at 978-1355 or email Mrs. Schneider at connie.schneider@hfsj.org on the first day of a student's absence. When the student returns, s/he must bring a written note from his/her parent explaining the specific reason for the absence. A doctor's note is required to excuse medical appointments. If a student is absent for more than five consecutive school days due to illness, the school may request that the student's doctor provide written verification of the absence. Please be advised that we request parents to avoid making appointments for their children between 8:00 a.m. and 10:00 a.m. This is our Language Arts block and it is a critical curriculum time.

Absences due to illness or a family emergency are considered to be excused absences. The student will be allowed the same number of days absent to make-up any missed work, quizzes or tests. It is the responsibility of the student and/or parent to contact the teacher and coordinate arrangements. Homework may be requested, for absent students by contacting the student's teacher via the teacher's web page. Please refer to individual classroom standards for specifics on grading policies regarding make-up work. Teachers will not prepare lessons ahead of time. If a student is going to be out for an extended time, please discuss this with the individual teacher so arrangements can be made for work.

Absences due to vacations, athletic events, family visits, and other similar situations are considered unexcused. We discourage these absences, due to the negative effect of such absences on the student's learning. The responsibility for making up work, quizzes, and tests rests with the student and parent. Any work, quizzes or tests not made up may become zero grades. The teachers will not prepare lessons or work ahead, and extra credit work will not be given.

If a child in first through sixth grade misses 15 or more days (excused or unexcused) within the school year, he or she may not receive grades and may be retained because of poor attendance. For junior high students in grades seven and eight, the number of absences (excused or unexcused) a student may miss per trimester is 6 days. Please refer to the Junior High handbook for additional information.

Written permission is required to release a student to another parent/adult from school during the day for sporting events and any other functions. No student will be released to another parent unless a note is on file with the office.

Tardiness

Being on time is extremely important. It is an acknowledgment by both the parent and the student of the importance of the initial organization that takes place within each classroom. The faculty and staff ask that you take seriously the obligation to be on time.

All students in grades Kindergarten through sixth are considered tardy if they arrive after the 7:55 a.m. gathering time. Please refer to the Junior High Handbook for the seventh and eighth grade tardy policy. Late students must report to the office and receive a tardy/admit slip before reporting to class.

Tardy Policy

Each trimester, students in grades Kindergarten through eighth grade who receive 4 tardies, will be notified by letter from the office regarding their assigned to that month's Saturday Community Care Day. If this does not correct the tardy problem, then another Community Care Day may be assigned to both the parent and student and a meeting with administration will occur. If an emergency occurs and the Community Care Day assignment has to be changed, please contact the school office. Only one

change will be allowed. If a student fails to appear on the assigned Saturday, a one day suspension may be assigned. A \$25.00 fee may be charged for every Saturday school assigned after the first one. Each new trimester begins a new cycle.

If a student is late because of a doctor or dental appointment, please call the school office before 8:00 a.m. When returning from a doctor or dentist appointment, the student must bring a note from that office.

Students are expected to arrive on time for all of their classes during the school day. There should not be any dawdling, detours, or congregating between classes.

Leaving the Grounds

No student is permitted to leave school grounds at any time during school hours or while in Extended Care, nor is a student to be released from class without a signed note of permission from the parent, guardian or designated adult. If a student must leave during the day for an appointment, the parent should send a note to the teacher in the morning advising that the student will be leaving early. The parent must then come to the school office, sign out the student from the classroom for dismissal. At no time should a parent go directly to the classroom during school time.

When a student returns from an appointment, both the student and parent must come into the office with a note from the doctor/dentist. The parent must sign in the student, and the student will be given an admit slip for class.

When the School Day Ends

Students in grades 1 - 8 are dismissed at 3:00 p.m. (12:45 on Wednesdays). Students in Kindergarten are dismissed at 1:30 p.m. (12:45 p.m. on Wednesday). Students must be picked up by their parents or other designated adult within 15 minutes of dismissal from the pick-up areas of the parking lot. If the child remains on campus after that time s/he will be sent to Extended Care and parents will be billed from the time of dismissal. Severe consequences will occur for any students found hiding or going off campus. There is no pick-up in front of the Church.

Students, who remain on campus for Scout meetings, after school sports, etc., must be under the direct supervision of the adult in charge or their parent. If not, they will be checked into Extended Care.

BACKPACKS AND BINDERS

Backpacks are not allowed to have writing, patches, or stickers on them. Binders should be kept clean and organized. No inappropriate language is to appear on any backpacks or binders. The administration and staff reserve the right to search backpacks or binders at any time throughout the year.

BICYCLES

Bicycles are to be stored in the racks provided and locked until dismissal. All bicycles must have a lock. Bicycles are to be walked on and off the campus. Students are not permitted to ride bicycles on school grounds. After two warnings the parent is called and the student loses his/her bicycle privilege for a period of time. Bicycles should never be left at the school overnight. The school will not be responsible for any bicycle left overnight or parked without a lock.

BIRTHDAY CELEBRATIONS

Birthdays can be celebrated within each classroom structure. (Please refer to individual classroom rules). However, please do not send balloons or flower bouquets to school. These are a major distraction in the classroom. If they are sent, the item will remain in the office and the student may pick it up after school.

BULLYING BEHAVIOR

Relational Aggression, Bullying, and peer to peer Harassment are forms of aggression in which one or more children is repeatedly and intentionally intimidate, harass, or physically harm a victim who is perceived as unable to defend himself or herself. **Bullying** or **peer to peer harassment** behavior is any gesture or written, verbal, graphic or physical act. **Relational Aggression** is slurs, rumors, jokes, demeaning comments, drawing cartoons, pranks, hand gestures, threats, or other written or oral actions-all meant to change how someone or others feel about the victim.

Consequences and appropriate actions will be taken for a student who commits one or more acts of peer-to-peer harassment, bullying, or relational aggression. They may range from positive behavioral interventions up to and including suspension or expulsion. Consequences for a student, in some cases, shall be unique to the individual incident. A consequence may and can be a referral to the school counselor or in greater incidents to law enforcement. Administration will not tolerate retaliation against any person who reports an act of peer-to-peer harassment, bullying, or relational aggression. The consequences and appropriate action for a person who engages in retaliation shall be determined by administration after consideration of the nature, severity, and circumstances of the act.

HARASSMENT POLICY

Holy Family School believes in the sanctity and integrity of all persons: that we are created in God's image and are of inestimable value. Any form of harassment is completely contrary to this belief, and Holy Family School is committed to providing an environment free of harassment. Therefore, all students and employees of Holy Family School are forbidden from engaging in any harassing behavior, which is directed at any member of the community - adult, adolescent or child. This policy also extends to any visitor or guest on the school campus. The school will treat allegations of harassment seriously and will review and investigate such allegations in a prompt, confidential, and thorough manner.

A charge of harassment shall not, in and of itself, create the presumption of wrongdoing. However, if Holy Family School determines that harassment has occurred, it will take effective remedial action (up to and including dismissal) commensurate with the severity of the offense. In addition, appropriate action will be taken to deter any future harassment. Students or employees found to have filed false and frivolous charges will be subject to disciplinary action, up to and including dismissal.

Complaint Filing and Investigation Procedures

Holy Family School encourages all individuals to report immediately any incidents of harassment forbidden by this policy so that complaints can be quickly and fairly resolved. The following procedures must be followed for filing and investigating a harassment claim:

The individual should tell the individual causing the harassment that his/her conduct is offensive and must stop. If the objectionable behavior does not cease immediately, the individual must report the harassment to the Principal or to a teacher/supervisor who will report it to the Principal.

The individual alleging harassment will be asked to complete a formal, written complaint. The claim will be investigated thoroughly, involving only the necessary parties. Confidentiality will be maintained as much as possible.

The investigation will begin with a meeting of the person(s) accused of the harassment, the person(s) to whom it was first reported, and the Principal. At the meeting, the nature of the allegations and the name(s) of the person(s) bringing the allegations will be presented. If appropriate, the accused student(s) will be suspended and/or the accused adult(s) will be placed on administrative leave during the investigation.

Once the facts of the case have been gathered, the Principal, in consultation with the Superintendent, will decide whether disciplinary action is warranted. This disciplinary action will relate to the nature, context, and seriousness of the harassment and can include any appropriate form including immediate termination or dismissal.

If the complaint is against a person who is not a student or employee, the school will take steps, within its power, to investigate and eliminate the recurrence of the problem.

Harassment Definitions:

- **Verbal Harassment** – Epithets, derogatory comments, slurs and jokes or threatening words spoken to another person
- **Physical Harassment** – Unwanted physical touching or contact, assault, deliberate impeding or blocking movements or any intimidating interference with normal work or movement
- **Visual Harassment** – Derogatory, demeaning or inflammatory posters, cartoons, photography, written words, drawings or gestures
- **Sexual Harassment** – Unwelcome sexual advances and propositions, threats or demands to submit to sexual requests, requests for sexual favors and other unwelcome verbal or physical conduct of a sexual nature

Specific examples of sexual harassment include, but are not limited to:

- Making unsolicited sexual advances and propositions
- Using sexually degrading words to describe an individual or an individual's body
- Displaying sexually suggestive objects or pictures
- Telling inappropriate or sexually related jokes
- Making reprisals, threats of reprisals or implied threats of reprisals following a negative response to sexual advances

Student Threats

All student threats to inflict serious harm to self or others shall be taken seriously. These threats can be spoken person to person or can be shared on the internet. Whoever hears or becomes aware of any threat made by a student should immediately report it to the administration. Our school will respond to any statements or behavior of a threatening nature, weapon possession, and any behavior by individuals that might pose a threat to the well being of students, staff, or others.

CHILD ABUSE

All school personnel are required by law to report suspected abuse to authorities. Child abuse includes sexual abuse, non-accidental physical injury, and neglect. The responsibilities of school personnel are to identify incidents of suspected abuse, to comply with the laws regarding the reporting of any suspicions, and to cooperate with any subsequent investigations.

CODE OF CONDUCT

This is a Diocesan-wide expectation of behavior for all Catholic school students. It forms the philosophy and foundation of all school discipline (see Youth Code of Conduct attachment.)

COMMUNICABLE DISEASES

Parents must notify the school office immediately if your child becomes infected with a communicable disease, such as strep throat, chicken pox, pink eye, or head lice. In the case of head lice, your child may not return to school until all nits are removed. You must bring your child to the school office for the purpose of inspecting his/her hair before returning to class. If your child has a fever, or vomits at school, the child will be sent home and must remain home for at least 24 hours.

COMMUNICATION

Communication Flow

Communication regarding your child should be addressed to the teacher either by written note, email or by calling the school office and leaving a message for the teacher to contact you. Parent communication requests will be answered by teachers within 48 hours.

Parental concerns need to first be brought to the attention of the teacher or staff member involved. If the problem is not satisfactorily resolved within an acceptable amount of time, the matter may then be brought to the attention of the Principal. Questions regarding policies and/or procedures should be referred to the administration. The Pastor may be consulted only after the above procedures have been followed. Concerns may be submitted by using the Community Speaks form available in the school office or on the website.

Parent-Teacher Conferences

Parent-teacher conferences will be held in November for grades 1 through 8. Parents are notified in advance of the date and time the conference is scheduled. School is dismissed at 12:45 each day during conference week. Kindergarten conferences are held separately, during the month of February.

Electronic News & Notes on School Website

The school website will be updated weekly. Email blasts will be sent each Wednesday to notify parents regarding website update.

Change of Address, Telephone, Work

Please notify the school office if you have a change of address, home, work, or cell phone number. Please use the form available in the school office or on the office's webpage.

Emergency Card

The emergency card contains contact information for school use in case of emergency. This information must be kept current at all times. Children will only be dismissed to a person named on this card. Please use the form available in the school office or on the office's webpage to update contact information.

Telephone Use

Students may use the office phone in the case of an emergency. Students are not permitted to use the classroom telephone without permission from and supervision by a teacher. Cell phones and other electronic devices are not allowed on school property. If found in the "on" or "off" position, the phone will be confiscated and kept for the remaining of the school year. Students who go to Extended Care after school have access to the Extended Care phones if a phone call needs to be made.

DISCIPLINE POLICY/SCHOOL RULES

Each student has a right to learn in a Christian environment. Teachers have the right to expect student behavior that allows teachers to teach and students to learn. Students and teachers share the responsibility to maintain such an environment. Discipline is the student's ability to manage him/herself within the limits set by school policies and procedures.

Conduct Referrals and Detention Notices

Conduct referrals will be given for violations or infractions of basic discipline rules. The goal is to provide an environment where students are free to learn and where staff and teachers have the right to educate the students while providing a safe environment. Interruptions, distractions or disruptions will not be tolerated. Conduct referrals will be issued for infractions. Those infractions that warrant a Detention Notice will be noted on the Conduct Referral. The Conduct Referral and Detention Notice (see copy in addendum) must be signed by the parent and returned to the Homeroom teacher within 24 hours.

After a student receives three (3) Conduct Referrals or three Detention Notices in one trimester, the student may be assigned an out of school suspension. If a classroom teacher issues three conduct Referrals or three Detention Notices in one trimester, the student cannot return to the classroom until his/her parents come in for a conference with the Principal and teacher. At this conference, a discipline plan or further consequences will be discussed.

Basic Conduct Expectations:

The following is a list of grave conduct infractions and is not meant to be all-inclusive. It will, however, serve as a guide for the students. These serve as potentially serious violations and could lead (if continuous) to more serious action, such as grounds for suspension or expulsion.

- Profanity, vulgarity or abusive language – this type of language demeans the speaker and the community
- Lying, disobedience or lack of respect towards administration, staff members or peers
- Constant failure to fulfill sanctions, refusal to fulfill discipline measures or habitual criticism of school norms
- Fighting, causing bodily harm to another student or threatening physically another student, etc.
- Bullying, harassing, relational aggressive behavior

Detention

Detention will be held as determined by teachers. Parents will be notified if this student has been assigned. It will begin promptly at 3:05 pm in the assigned room. Students are to take care of all of their needs before they report to the detention room. No food or drink is allowed. Students are not to change their clothes before detention; he/she will receive another detention for the following week.

Dress Code Violation Slips

Holy Family School has established a uniform policy so that students can be part of the student community and avoid the social stigma that sometimes is associated with dress. The uniform code does not allow for individual differences. In order to enforce the uniform dress code, cooperation is needed. Students, along with their parents, are responsible for adherence to the uniform policy. A Dress Code Violation Slip will report violations of the uniform dress code to the student and parent.

Classroom Discipline

Each teacher has a set of classroom rules to meet the needs of the individual class. Those rules are explained at the beginning of the school year, along with the consequences of violating them. Each student is also made aware of the general school rules stated here in the handbook. Parents are expected to be familiar with and support the policies and rules of the school.

Basic School Rules

- Students are expected to be respectful toward teachers, staff, yard supervisors, other adults, and other students. Proper and respectful language and behavior are expected in the classroom and on the school campus at all times. Swearing or fighting will not be tolerated (see Code of Conduct policy.)
- Students must be in complete uniform each day. Only uniform sweaters, jackets or sweatshirts may be worn in the classroom. Prior administrative permission must be given for a student to be out of uniform.
- Students are expected to be prepared for class, to complete assigned homework, and to turn it in on time.
- Frequent tardiness or truancy is not tolerated.
- Students who arrive earlier than 15 minutes before school starts in the morning and/or stay at school more than 15 minutes after dismissal must go to Extended Care.
- Students may not leave the school grounds during school or Extended Care hours to go to nearby stores.
- Parents taking children out of school during the school day must sign them out in the school office. Students will be called from their classroom to meet the parent at the office.
- Students must behave appropriately on the play yard. Students may not throw things, litter, or kick balls outside of the play yard. No student may leave the play yard to retrieve a ball without permission. Students may not use play equipment before school or during the 15 minutes immediately after dismissal.
- Leaving assigned areas is not permitted. Students may not be in the bicycle area, the driveways, the parish office area, the

Community Center, near the fences or the parking lot beyond the cones. Students may not use the soda machine during school hours.

- Students may not play or loiter in the bathrooms or in the breezeway.
- The use, sale, distribution, or possession of narcotics, controlled substances, or alcoholic beverages is not allowed.
- Gang related conduct, including but not limited to symbols, graffiti, apparel, colors, hazing/initiations, hand signals, etc. is not allowed.
- No hazardous materials or dangerous objects (weapons, matches, fireworks, stink bombs, etc.) may be brought to school at any time.
- Tape recorders, radios, balls, yo-yos, toy weapons, electronic games, iPods, cell phones, MP3 players and other personal or inappropriate items may not be brought to school. Cell phones will be confiscated and kept for the remainder of the school year.
- Gum and sunflower seeds are not permitted on school property.
- Students may not ride bicycles on school grounds. Bicycles must be walked on and off campus.
- Skateboards, roller blades, roller skates, heeies etc. are not allowed at school.
- Students will not be dropped off or picked up in front of the Church.

Discipline Policy

In general, disruptive behavior or violation of rules will be addressed by the teacher. The teacher may decide to notify parents by written note or by telephone. If the behavior continues or the infraction is serious, the student will be referred to the Principal or Vice Principal.

For the most serious interventions, i.e., probation, suspension, or expulsion, the administration will conference with the student and the parents. The Pastor may be consulted.

Probation

A student may be placed on academic or behavioral probation at any time during the school year. The terms of the probation are clearly stated to parents and the student in a conference with the teacher and the administration. A student's failure to abide by the conditions of the probation may lead to suspension or expulsion.

Suspension

A student may be suspended for a specific period of time for serious (e.g., pantsing another student, fighting or other violence directed in such a way as to inflict injury to another person) or continued misconduct. A student may receive either an in-school suspension, in which the student remains at school but is not in the classroom, or an out-of-school suspension. In either case, parents are notified before the suspension period begins. A conference, which may include the student, parent, teacher, and Principal or Vice Principal, will be required before the student may return to class. All assigned work must be completed prior to the student's return to class. Any assignments, quizzes, and tests missed will receive a zero and cannot be made up. A student cannot participate in extra-curricular activities on the day of suspension.

Expulsion

A student may be expelled from school for misconduct of a very serious nature or for repetition of conduct for which the student has been previously suspended. Diocesan Policies will be followed.

Recommended Transfer on Grounds of Parental Behavior

Normally a child is not to be deprived of a Catholic education or otherwise penalized for actions of parents. However, the Principal may recommend transfer of a student when parents have been persistently and overtly uncooperative with school staff, policies, regulations or programs, or have interfered in matters of school administration or discipline to the detriment of the school's ability to serve their own or other children.

DISASTER PREPAREDNESS

Our school has an earthquake/disaster preparedness program that includes a three-day supply of emergency food and water, as well as other disaster necessities, for every student and staff member.

In the event of a major earthquake/disaster, all church and catechetical staff will also assist with student care. Each classroom has an emergency pack containing separate emergency cards for each student, which contains out-of-state contact information. No student will be released to anyone other than a parent or a person designated on the emergency card. Please use the form available in the school office or on the office's webpage to update contact information.

Lock-downs

In the case of an emergency, the San Jose Police Department may impose a "Lock-down" on the school. A public announcement will give the teachers and staff that signal to begin the safety procedures. Parents will not be called during the lock down. When given the "all clear" from the Police Department, the administration and staff will follow instructions as designated by the police. This procedure ensures the safety of all individuals on the property during emergencies. We ask parents to cooperate fully with the school's procedures. A follow up email will be sent regarding the details.

FIELD TRIPS

Field trips are a privilege afforded students for an educational purpose. A student may be denied participation if s/he fails to meet academic or behavioral requirements. A signed permission form is required for all field trips. School uniforms are worn unless otherwise advised. No parent may drive or chaperone a field trip unless they have cleared fingerprints through the Sheriff's Department.

Private automobiles will be used to transport students to and from fieldtrips. Drivers must provide a copy of a valid California driver's license, be over 25 years of age, and provide a copy of their registration and insurance policy demonstrating 100,000/300,000 liability and collision insurance coverage for the vehicle used. In addition, a Field Trip Driver Information Form must be completed and on file in the school office before any parent may drive on a field trip. Drivers remain with the students as a chaperone and may not bring along other siblings.

In compliance with California state law, each student passenger over 60 pounds must wear a seatbelt. If under 6 years of age or under 60 pounds a child safety seat must be provided. In fairness to all students, drivers are instructed to refrain from providing treats in their car. Drivers are to refrain from making any unscheduled stops. Field trip drivers are to follow the prescribed route provided by the teacher.

HOMEWORK

The primary purpose of homework is to provide reinforcement for work that has been taught or to secure resource materials/information for work that will be presented. In addition, homework fosters the student's creativity and discipline through enrichment projects or research. The student also learns to work independently and to accept responsibility for completing a task. Diocesan guidelines indicate the average amount of time the typical elementary student should spend daily on homework: 20 minutes for grades 1 and 2, 30-45 minutes for grades 3 and 4, 45-60 minutes for grades 5 and 6, and 60-90 minutes for grades 7 and 8. If a child is spending considerably more time on homework than indicated above, please notify the teacher.

All homework is listed daily on the teacher's webpage. Homework request can be email directly to the teacher via the teacher's webpage. Homework may be picked up in the school office 24 hours after the request has been made.

INSURANCE

The Diocese of San Jose has an insurance policy, which covers every student enrolled in school for injuries received going to and from school and during school-supervised activities. This is supplementary coverage; the family's health insurance plan is the primary coverage. Should an injury occur, parents should request an insurance form from the school office within five days of the injury.

LIBRARY

Students may return library books during their library time or directly to the school office at anytime. All damaged or lost books will be charged to the responsible parent's tuition account. Book charges will include tax, plus \$5.00 to cover shipping and handling. All fees must be paid in full at the end of each trimester. Report cards will be held until the fee is paid in full.

LOST AND FOUND

All lost and found items are kept in the school office. Parents and students are able to look for lost articles before and after school. To help facilitate the return of your student's items, please label everything your child brings to school. At the end of each month all unclaimed items will be given to our Uniform Exchange and/or to a charitable institution.

LUNCHES

Hot lunch is available for grades kindergarten through eighth grade. Many food choices and meal plans are available. Please see the Kidz Kafé information and ordering page under the school information tab. Kidz Kafé will be open daily from 8:00am to 1:30pm except for Wednesdays; hours will be from 8:30am to 1:30pm. Any questions or problems regarding the Hot Lunch Program are to be directed to Elsa Aguilar on the Kidz Kafé's direct line (408) 551-9969 or (408) 978-1355 ext. 109.

If a student forgets his/her lunch, a parent may bring the lunch to the office, marked with the child's name and grade. The student should check the school office at lunchtime to see if their lunch has been dropped off. The student is responsible to

pick up his/her lunch. Office staff does not deliver lunches to classrooms. Students may not call home for a forgotten lunch. They must notify their teacher that they do not have a lunch and other students will be asked to share their food. Lunch is eaten outside when it is not raining, and in the classroom when it is raining. Students may not meet a parent in the parking lot to pick up their lunch.

Please note: the office cannot heat up a child's lunch, provide spoons or forks, or store food in the refrigerator or freezer.

MEDICATION

If it is necessary for your child to receive prescribed medication during the school day, it should be brought to the office in the prescription bottle with a signed note from the doctor specifying the time of day it is to be given and in what amount. At no time may a student keep prescription medication in his/her desk, belongings, or lunch bag. This includes cough drops and cold medications, which the doctor may suggest for the student's use. Administration of Medicine by School Personnel form is available from the school office or from the office webpage.

Bringing non-prescription medications such as Tylenol, cold tablets, cough medicine, etc, to school for your child is strongly discouraged. If your child needs these medications, please obtain the Administration of Medicine by School Personnel form, which is available from the school office or from the office webpage. Upon completion, please return this form to the school office along with the medication. In addition, a note dated and signed by a parent, which includes instructions to school personnel regarding dosage, and under what circumstances. As with prescription medication, at no time may a student keep non-prescription medication in his/her desk, belongings, or lunch bag.

OFFICE HOURS

The school office is open Monday through Friday from 7:45 a.m. to 3:30 p.m. Parent's may leave a message on the school's answering system during after school hours.

OPEN HOUSE

Open House is held once a year in conjunction with Catholic Schools Week at the end of January. Families are welcome to visit student's classroom and the Science Fair. A separate Open House will be held for prospective parents to visit our campus.

PARENT SERVICE HOURS

All parents are required to complete 40 hours of community service for two parent families and 20 hours for single parent families. There are various ways to fulfill these hours during the school day, on weekends, or at home. Volunteer opportunities are published under the "Help Wanted" section of the school website. Service hours contributed to Holy Family Parish or to the catechetical department may also count toward the school requirement. A complete list of options and a record sheet are available on the website under Login, then parents then volunteers. The tally sheet is to be turned into the volunteer coordinators office every March. If your service hours are not met, your child will not be able to re-register for the following year.

PARENT/TEACHER GROUP (PTG)

The Holy Family Parent/Teacher Group (PTG). The PTG coordinates social and fund-raising activities for the school in partnership with the Principal, Pastor, and school board (SAC). The PTG consists of duly selected officers who hold monthly board meetings and semi- annual parent education nights for all parents and school personnel.

P.E. CLOTHING

All students in grades 5th -8th are required to arrive at school on P.E. days dressed in the P.E. uniform. The required PE uniform is available from Merry Mart and consists of: navy sweatpants or mesh shorts with the Holy Family logo, a navy T-shirt with logo and tennis shoes with non-marking soles. Boys are advised to wear athletic supporters. Students in grade 8 have the privilege of wearing basketball warm-up pants instead of sweatpants. Beginning the second week of P.E. class no student will be allowed to participate without the proper uniform. Students are not permitted to call home for forgotten clothing.

P.E. uniforms are optional for students in grades K-4. Girls who don't wear P.E. uniforms in grades 1-4 must wear shorts under their skirts on P.E. days. These shorts may not show below the uniform.

PROGRESS REPORTS

All students will receive a formal academic progress report during the first trimester. For the second and third trimester, only students who are doing poorly or show a dramatic change in performance will receive a progress report.

RELIGIOUS EDUCATION PROGRAMS

Liturgies/Religious Celebrations

Students in grades Kindergarten through 8th attend a school liturgy at least once a month, including Holy Days. Please see the school calendar for exact dates and times. Each teacher is also required to conduct prayer services and/or Eucharistic liturgies and Reconciliation services for their individual classes.

Religious Instruction

The goals of the religious education program encompass all aspects of our total education program, integrating the Christian message to the life situation of the students. In the formal religious instruction, in addition to an emphasis on knowledge of Catholic doctrine, the students are offered many opportunities for prayer, both formal and spontaneous.

Sacramental Preparation

Sacramental Preparation is shared by school and Parish. Parents of students who are preparing for a sacrament are required to participate in the Parent Preparation Program of the parish. Students will receive their Confirmation and First Eucharist with the parish.

REPORT CARDS

Report cards are distributed three times during the school year: November, March and June. Report cards contain grades in academics, conduct, and effort. Students who are absent for twenty or more days in any trimester will not receive a report card for that trimester. Grade percentages based on diocesan guideline are:

A	100 -96	B-	84 -82	D+	69 -67
A-	95 -92	C+	81 -78	D	66 -64
B+	91 -89	C	77 -74	D-	63 -60
B	88 -85	C-	73 -70	F	Below 60

ROOM PARENTS

The Room Parent assists the homeroom teacher with classroom parties, activities, field trips and recruiting classroom volunteers. In addition, room parents will oversee money collected for parties, teacher gifts, staff luncheons and the Enchanted Evening Project. The PTG board will train room parents for each classroom. Room parents must get administrations' approval before distributing any material to parents in the class.

SCHOOL ADVISORY COUNCIL (SAC)

The School Advisory Council (SAC) is an advisory body guiding the educational policies of Holy Family School and is subject to the rules and regulations that proceed from the Bishop through the Diocesan Superintendent of Schools. The following are some of the duties and functions of SAC:

- To recommend policies to the Principal and Pastor governing the operation of the school.
- To ensure that all operations of the school are consistent with the mission of the Catholic Church.
- To create better understanding and support of Catholic education and to act as a public relations group in making the work and achievements of the school better known to the entire parish and civic communities.
- To assist the Principal in developing the annual school budget and to determine if it realistically reflects the general financial and physical needs of the school.
- To develop and review the school's long range (5 year) plan.
- To monitor and evaluate programs which were established as a result of its policy recommendations
- To evaluate its own effectiveness on an annual basis as well as the working relationship between the school Principal and SAC.

SCHOOL PARTIES

Each class has two parties during the school year, usually Christmas and Valentine's Day or an end of the year party. A party fee is collected at the beginning of the school year to fund both parties. The Principal must approve any other parties. Student birthday party invitations may not be passed out at school unless the entire class is invited. In fairness to all, parents are asked not to send flower or balloon deliveries to a student in celebration of birthday or any other event. These items will be kept in the school office until the end of the day.

SCHOOL RECORDS

Records are available to all parents. Please call for an appointment so that an appropriate educator can be present to interpret data and test scores included in the files.

STUDENT COMMUNITY SERVICE HOURS

Students in grades 6th -8th are required to satisfy ten (10) hours of community service per year. Acceptable service opportunities include unpaid (by money or credit) work that is performed within a school, parish or other non-profit organization. Refer to Community Service Hour guidelines for more details and requirement deadlines. (see Addendum)

SNACKS

Students may bring a snack to be eaten during recess time. We encourage healthy food items. No glass containers are allowed on the school grounds. The office does not have spoons and forks available nor is there an opportunity for student to heat or refrigerated food.

SPECIAL/FREE DRESS

Special dress or non-uniform days may be given by the Principal, or by the teacher with the Principal's approval. On special dress days students are allowed to wear clothing that is clean, modest, not torn, and suitable for school. Logo T-shirts in poor taste, halter tops, tank tops, or any tops that show midriff are not allowed. Baggy or sagging pants, biking shorts, and short shorts are not allowed. There may be special theme days determined by the faculty; students are expected to follow the guidelines outlined. The administration reserves the right to send home anyone who comes dressed inappropriately.

SPORTS

After school sports are available for both boys and girls in grades 5-8. Sports include volleyball, basketball, flag football, softball and track. Our teams compete with other Catholic schools in our division through the Diocese of San Jose Catholic League-East Division. This program encourages Christian sportsmanship and builds team spirit and school pride. A detailed athletic policy is given to each player at the beginning of each sport. There is a fee charged to play each sport. Students who perform unsatisfactorily in areas of classroom conduct, effort, and homework may be declared ineligible to participate in any after school sports. Sports Probation may be assigned to any student for behavior or academic reasons.

STUDENT COUNCIL

Participation on the Student Council helps to develop Christian leadership and responsibility. The Student Council and faculty advisors sponsor various spiritual, social, community, and fund-raising activities during the school year. Students in grades 5-8 are elected in May to serve the following school year. The requirements to run for office are as follows:

- No grade lower than "B" or 85% in any subject area including conduct, effort, and homework for the office of President

STUDENT SERVICES

Extended Care

The Extended Care program operates from 7:00 a.m. to 6:00 p.m. and is available to all students. Students may use this program on a daily basis or a drop-in basis. There is a homework time provided for the children, as well as other indoor and outdoor activities. To reach Extended Care, please call 978-6141. Extended Care begins the first day of school. There is no Extended Care the last day of school, either before or after school. Students must sign into Extended Care and be signed out by a parent or guardian on the Emergency Card. Students who do not follow the procedures will be referred to administration. Extended Care billing is noted on the registration or re-registration form.

Illness at School

Students who become ill at school will be sent to the office with a note. Sick children will not be kept in the classroom. All children who have a fever or who are vomiting will be sent home and may not return for at least 24 hours. If symptoms appear to require that the child be sent home, the parent will be called and the child will remain in the office until picked up. The child must be picked in a timely manner. Students must be fever-free for twenty-four (24) hours before s/he may return to school. Parents will be notified of any communicable diseases. If a student has one of the diseases listed, he/she may not return to school until the guidelines are met.

Student Study Team

We have a program for determining what interventions are necessary for students who are having difficulty academically and/or behaviorally. This program is called a Student Study Team. There are three steps: the teacher and parents first must try various methods of helping the student. Second, the Vice Principal, who is the administrator of the program, is consulted, and she determines what step is next. Third, a Student Study Team is convened. The team consists of an administrator, the referring teacher, other teachers, a learning specialist, the parents, and sometimes the student. Further information about this program can be obtained from the Vice Principal.

TESTING

Each year during September students in grades 2-8 take the IOWA Achievement Tests. Testing is conducted during the morning. Morning appointments for students should be avoided during testing week. First grade students test in Spring.

TEXTBOOKS AND TRADE BOOKS

Students are responsible for keeping books clean, covered, and labeled. Do not use contact paper to cover textbooks books. Unless provided by teachers, families must purchase trade books according to the teacher's list. Students are expected to care for their own trade books. Families must pay for any textbooks that are damaged or lost. Damages include water damage, torn corners, separated spine, writing on or in the book, etc. Final report cards will be held until all fees have been paid,

TRAFFIC/PARKING

There is a very specific traffic flow pattern that all parents must observe in order for traffic to flow smoothly and to ensure the safety of the students (see map at end of handbook). It is imperative that parking areas be observed and used correctly. There should never be any stopping in the traffic lanes of the parking area to drop off students. Cars may only stop to drop off students in the designated drop-off areas or by parking in a parking space. Any other stops in traffic flow cause a traffic jam and endanger student safety. A detailed map is posted on the school website. A copy of the traffic map can also be found at the end of this Handbook. It is expected that parents and students follow the instructions of the safety patrol and teachers on duty. Anyone not following directions or not cooperating with yard duty faculty will have a meeting scheduled with the administration.

TRANSPORTATION AND SUPERVISION

TUITION/FEES

Tuition and fees are reassessed each school year and posted in April with rates for the following year. Parents are required to sign a Tuition Agreement form when re-registering which acknowledges tuition and fee schedules for the upcoming year.

There is an application fee for all new students and a yearly registration fee for all students, new and returning. The registration fee covers textbooks, insurance, and testing. In addition, there is a graduation fees for eighth grade students which covers additional expenditures such as diploma, gown, tassel, programs, flowers, and beach trip. Students may not participate in graduation activities, student council elections, receive a yearbook, report card or class assignments until all delinquent tuition and fees are paid in full.

Any family experiencing financial difficulty should contact the Principal or the Business Office. Failure to fulfill tuition payment responsibility is cause to drop students from enrollment. Action is usually taken at the end of each trimester. All accounts are to be current by May 15th of each school year in order for the children to be registered for the next school year. Any outstanding tuition will result in the report card, yearbook, school records, and diploma being held until the account is brought up-to-date.

Holy Family School Uniform Policy

The school uniform contributes to a sense of community and develops a student’s pride in his/herself and the school. Holy Family has established a uniform policy so that students can avoid the social stigma that is sometimes associated with dress. In order to enforce the Dress Code, cooperation is needed. - Not adhering to the school’s uniform policy will result in a verbal warning accompanied by a “Dress Code Violation” notice. Three Dress Code incidents will result in loss of Free Dress privilege and a 30 minute Detention. If a fourth violation occurs in one trimester, the administration will meet with the student’s parents and assign a one day Suspension.

Holy Family School Community Service Hours Requirements

Goals

- To help students' Catholic identity and expand their understanding of the Christian call to service
- To help students identify and reflect on their individual gifts
- To help students transition into high school community service requirements

Community Service Guidelines

- Every student in **grades 6-8** will be expected to record **10 hours** of community service each year. Community service hours should be completed by the **first week in April** each year. Students are encouraged to complete their **10 hours** with one type of service, though it is not required. It is not necessary to record more than 10 community service hours a year. Seventh and Eighth graders who complete more than 10 hours of community service may have someone nominate them for a Service Award.
- Acceptable community service opportunities include unpaid work that is performed outside of regular school hours and/or family responsibilities through a parish, school, or other nonprofit organization that meets a community need. Liturgical Ministries, Student Council, National Junior Honor Society, California Junior Scholastic Federation, and Safety Patrol do not qualify as community service. If you are unclear whether or not a service opportunity meets the guidelines, ask your homeroom teacher or administration.
- It is the responsibility of each student to find and complete service hours that meet the guidelines before the **first week in April**.

Community Service Record

- Each student must fill out a form for the service provided. Forms can be found in the office and on the website.
- A separate form is needed for each type of community service performed. The student must include a full description of his or her duties. The supervising adult must rate the student and sign the form. The student's parent may not be a supervising adult.
- Students must get the record form signed the day the service is completed.

Reflection Paper Guidelines

- Must include answers to the following questions:
 1. What was your community service? What did you do? When did you do it?
 2. Why did you chose this community service project?
 3. What need in the community did it serve? Is someone's life different or better because of what you did?
 4. What did you learn from your service? Has your life been affected because of your service?
 5. Would you do this type of community service again?

6. What scripture quote(s) speak to you about your community service? Why? Sixth graders must include one scripture quote, seventh grades two scripture quotes, and eighth graders three scripture quotes. All scripture references must be written like the following: Matthew 1: 2-5. Seventh and Eighth graders must have the scripture quotes embedded within their essay.

- Reflection papers must be in essay format and should be typed, double-spaced and in a font 12 or 14. Students should use the same guidelines that they use for other papers in their classrooms.
- One reflection paper is to be turned in per student. If a student completes his or her community service hours with more than one type of service, then six questions must be answered for each type of service.

Deadlines, Grades, and Consequences

- Community service forms and reflection papers are due to the student's homeroom teacher by the **second Monday in April**. There are not exceptions if a student wants full credit.
- Reflection papers are graded as a Religion Project.
- Students who do not complete their service hours and reflection paper by the deadline will have their third trimester Religion grade lowered by a full letter grade. Eighth grade students who do not complete their service hours and reflection paper may have their diploma held.

CONSENT TO TREATMENT OF CHILD AND HANDLING OF CONFIDENTIAL INFORMATION

ONE FORM PER STUDENT – COMPLETE BOTH SIDES OF FORM

I am a parent or legal guardian of (**PRINT Child's Name**) _____, ("my child") who is a student at Holy Family School. I have read, understood and consent to the following concerning my child:

- 1. First-Aid/Emergency Treatment:** Without limiting other emergency powers that may be provided by law, I authorize school personnel to administer first-aid to my child if the school administration deems it necessary and appropriate to preserve the life, limb or well-being of my child. If the school administration believes, in its sole discretion, that a medical necessity exists beyond that which can reasonably be dealt with on school grounds by school personnel, I authorize the school to contact and engage qualified medical personnel and arrange for emergency treatment of my child, including transportation either by school staff or by professional transport for medical, dental, surgical or hospital care or diagnosis, and I consent to that treatment for my child. Arrangements for treatment will be made in the following order of priority: 1) The physician listed on the student's Emergency Card or 2) emergency physician or health-care professional licensed by the State of California. I understand and agree that I will be financially responsible for any such medical treatment.
- 2. Medical Supervision/Administration of Medicines:** I understand that the school is not legally obligated to store or administer medication for students and will not do so, either on a temporary or ongoing basis, except by special agreement. Before any medication is given by the school, I will provide those medications in their original pharmacy containers, with the child's name and doctor's instructions on the label, and I will provide a written, signed authorization from a physician, including complete instructions.

NOTE: ALL MEDICINES TO BE TAKEN ON SCHOOL GROUNDS, WHETHER SELF-ADMINISTERED OR ADMINISTERED BY THE SCHOOL (IF SCHOOL AGREES TO DO SO), MUST BE ARRANGED FOR IN ADVANCE, AND MUST BE PROVIDED IN THEIR ORIGINAL PHARMACY CONTAINER, INCLUDING THE CHILD'S NAME AND DOCTOR'S INSTRUCTIONS.

THE SCHOOL WILL NOT ADMINISTER MEDICINES UNLESS A PHYSICIAN'S WRITTEN AND SIGNED AUTHORIZATION, INCLUDING COMPLETE INSTRUCTIONS, IS ATTACHED TO THIS FORM. This authorizations will be kept on file in the school office and MUST BE RENEWED at the beginning of each school year.

In consideration of the arrangement indicated in this paragraph, the undersigned hereby releases and discharges the Diocese of San Jose, its constituent organizations, including but not limited to The Roman Catholic Welfare Corporation, the Department of Education and Holy Family School and their respective officers, agents and employees (the "Diocese") for any and all claims for personal injuries or property damage that I or my child may suffer as a result of this arrangement whether or not such injuries or damages be caused by the negligence (whether active or passive) of any of the entities or individuals named or described above, excepting only injuries or damage resulting from Diocese's willful misconduct. I authorize and request the school to administer the above medications to my child on these terms.

If no parent/legal guardian is available, I authorize the school to release my child into the custody of third parties for the purpose of transporting my child from school grounds and arranging for such care as my child may need, in the following order of priority: 1) the persons listed above as emergency contacts; 2) qualified medical/emergency professionals; 3) another responsible adult.
